Digital Placemaking in
Employee Engagement

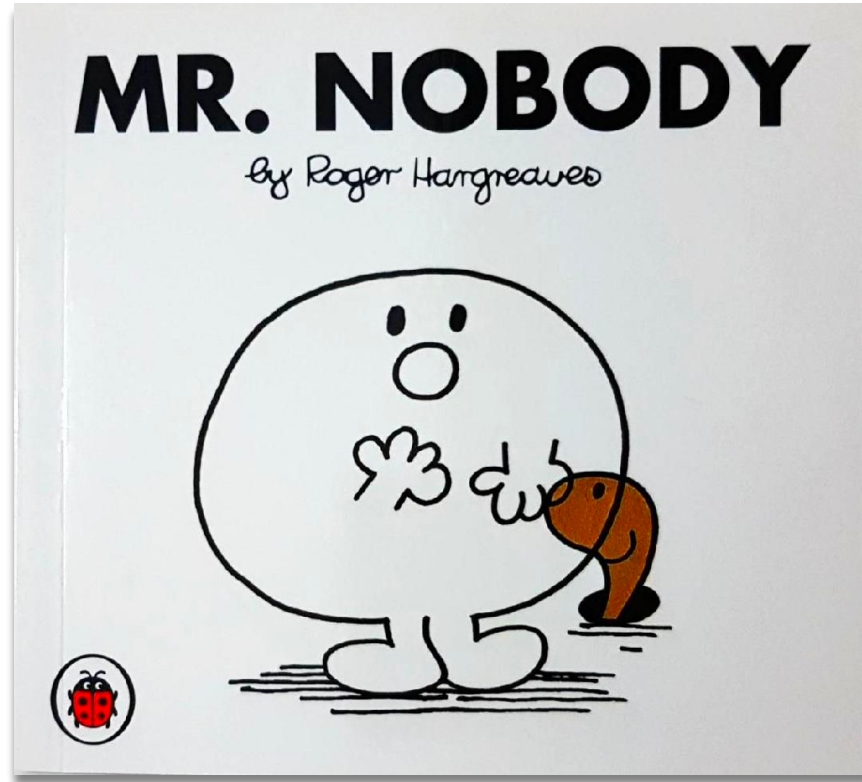

What makes a place?

Times of
change &
uncertainty

Productivity
paradox

Designing for
Serendipity

Wellbeing

Loneliness

Purpose

What is digital placemaking?

Imagine Cablinc's digital
workplace as a collection of
connected neighborhoods

How can we encourage meaningful connections with social software?

Let people "plug and play"

Cablinc should be creative with the space, technology, and capabilities they have to work with. (Although it's hard to placemake with email alone)

Cablinc should enlist technology in service of the placemaking process itself.

Cablinc should evaluate speciality solutions and tools, ideally those that integrate with their existing platforms.

Digital placemaking in the
workplace is a **philosophy**
and a deliberate **activity**
